## Professional Summary

A motivated and results-oriented Full-Stack Developer with a Master's degree in Computer Applications and hands-on project experience in both Java/Spring Boot and MERN stack technologies. Passionate about building robust, scalable, and user-friendly web applications from the ground up. Eager to apply a strong foundation in software development principles and a dedication to continuous learning to contribute to a challenging and innovative development role.

## Education

**Master of Computer Applications (MCA)** | Graduated: February 2025

Institute of Management & Computer Studies, University of Mumbai | Thane, Maharashtra

**Bachelor of Computer Applications (BCA)** | Graduated: August 2022

Vikas College of Arts, Science & Commerce, Tilak Maharashtra Vidyapeeth | Mumbai, Maharashtra

## Technical Skills

- Languages: Java, JavaScript, Python, SQL, HTML5, CSS3
- Java Ecosystem: Spring Boot, Spring MVC, Spring Data JPA, Hibernate, Maven
- MERN Stack: React.js, Node.js, Express.js, MongoDB
- Frontend: Tailwind CSS, Framer Motion, Responsive Design
- Databases: MongoDB, MySQL, PostgreSQL
- Developer Tools: Git, GitHub, VS Code, IntelliJ IDEA, Postman, Docker (Basic)
- Concepts: RESTful APIs, OOP, Data Structures & Algorithms, Agile

## Projects

**Netflix MERN Clone** | React, Node.js, Express, MongoDB

- Developed a full-stack clone of the Netflix platform, focusing on a polished and responsive user interface.
- Implemented features for browsing content, user authentication, and managing watchlists.
- Designed a RESTful API backend to serve movie and show data efficiently to the frontend client.

**King Portfolio Terminal** | JavaScript, HTML, CSS

- Created a unique and interactive personal portfolio designed as a command-line terminal.
- Implemented various commands to display personal information, projects, and skills in an engaging, "hacker-style" format.
- Focused on pure JavaScript to build a dynamic and responsive user experience without relying on external libraries.

## Certifications

- Java Full Stack Development | EduBridge & Capgemini
- Web Development Training | AcmeGrade & Mood Indigo, IIT Bombay
